What [User](#) likes about Dawn's Deli:

Dawn's Deli is a great little Deli in South Jersey. They have all the normal things Deli's offer, but the sandwiches and soups are ten times better than Wawa or Heritage. All homemade recipes with their families. Great hot Bratbeef sandwiches. I didn't try any soup or sandwich I didn't like. In any case, eat here instead of the other places when you work nearby. Food here is very good, but this business really needs to get with the times and modernize their ordering/payment process. It's so difficult to get through to place an order because their phone is always busy when you try to call. Plus the cash only payment method is very inconvenient. [read more](#).
