The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, Depending on the weather, you can also sit outside and eat and drink. In the restaurant you will find a little bit of this and a little bit of that, paired with their appreciated Tapas, Particularly, many visitors are looking forward to the *diverse, fine Mexican cuisine*. Surely, it's also a nice event to feel like in the Wild West once, to drink and consume like the cowboys or even the bandits with a drink or two paired with onion rings and a nice tasty burger, there are also delicious vegetarian meals on the menu.
