I came on a Sunday night, so a lot of beer was gone from the weekend. But the beer they still had was good and then they grabbed a coconut stout that was amazing! Combine this with the amazing wood-fired [pizza](#) and the great people who serve the bar and it was a great night! [read more](#). What [User](#) doesn't like about Roosevelt Brewing Company:

15 longer than what they told me on the phone. With two tables in the building that had to be maintained. They just opened 35 minutes before I got there. And it took a total of 45-50 minutes to do for my meal. Take care of yourself. I command a spinach with 4 ounces of ranch and got a 2 ounce of ranch. And the calzone was burned. But somehow the dough was still strict and stretchable in some places? Also, asked for a 20oz drink and got a 16oz. All this costs money by the way! The first time there and will not go back. If eating and drinking is too plain for you, go to this sports bar for a variety of large and small snacks and dishes and catch live football, tennis or Formula 1 games, You can also discover nice South American cuisine in the menu. Furthermore, you can order fresh [prepared grill goods](#), Naturally, you can't miss out on the *scrumptious burgers*, which are accompanied by sides like fries, salads, or wedges served.
