What [User](#) likes about Tnt Cafe:

I'm sorry there are no six or seven stars. The best chicken fried steak I've ever had. When they brought it to the table, I thought they were a joke. Two plates full for a breakfast. Service was good and friendly. Be careful that they do not have a sign before themselves and it is easy to miss, but it is worth finding it. [read more](#). What

[Darlene Gonzalez](#) doesn't like about Tnt Cafe:

\$15 for a to-go order of mixed scrambled eggs, hash browns, onions and sausage. No toast, salsa, nothing.

Literally just a plate with those items mixed together. The flavor is good but really felt like an incomplete breakfast, especially for the price. Service: Take out Meal type: Breakfast Price per person: \$10–20. The place also offers the possibility to sit outside and eat and drink in nice weather, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. Tnt Cafe from [Bonham](#) is a cozy café, where you can have a small snack or cake with a **hot coffee or a hot chocolate**, The customers of the establishment also appreciate the large variety of differing *coffee and tea specialities* that the establishment has to offer. The atmosphere of the **typical American Diner** makes the meal an unforgettable event, They also present nice South American cuisine to you on the menu.
