... Love the bartender mixology skills if you asked to make some of their choice. Was never disappointed or had made the same drink twice! They're personalities that make you feel at home. A little disappointed about the change in food preparation, although..... Not as it was once, but still delicious meals with good quality products. It is worth trying yourself! Excellent customer service. As a guest, you can use the WiFi of the establishment at no extra cost, And into the accessible rooms also come guests with wheelchairs or physical disabilities.
