Great views of the local beach and the lake. The food is delicious and cheap. The service is pretty good, but a little slow (at least the woman we had), but she did a great job overall. Sit outside and you'll love it. They have a bar and many TVs inside (not so outside). Definitely recommend it when you are in the area. [read more](#). What

[User](#) doesn't like about Riverboat On The Potomac:

I have found the food to be small portions and overpriced. Service is slow, and service is worse; only because they only have two girls working the dining room, bar and etc. for about 100 people. Recently had the wings, grossly overcooked and difficult to chew. I had to send them back as they were that bad. The nacho platter was good. They did away, to steam line the menu with the shrimp basket, which was excellent. [read more](#). When the weather is good you can also eat outside.
