What [User](#) likes about Pizza Hut:

We haven't been in a pizza hut for years. Pizza was great. Kruste was very airy and light. He really liked our server. He was very friendly and attentive. The next time we are in the area, we will definitely return there. [read more](#). What [User](#) doesn't like about Pizza Hut:

1st off I ordered pizza in September 2023 \$58.00 dollars worth ask for NO sauce and when my pizzas arrived that were soaked in sauce and I was told to call corporate which I did and that was a complete waste of my time, so today 10-18 -23 I ordered pizza again to give them one more chance was missing one of my pizzas and couldn't talk to anyone who hardly spoke English!!!! I will never ever order from Pizza Hut again!! And I will give them a bad name from here on out !!! I will continue to give them the worst possible name!!! So here I sit just no pizza and no way to speak to the store manager!!! The diner and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical limitations. If you're hungry for some [tasty South American culinary arts](#), this is the place to be: exquisite meals, cooked with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, Don't miss the chance to enjoy the tasty pizza, prepared fresh in an original way. Meals are usually prepared in the shortest time for you and brought to the table, and you have the opportunity to try tasty American dishes like **Burger or Barbecue**.
