What [User](#) doesn't like about Mcmenamins Ahles Point Cabin:

The restaurant also offers the possibility to sit outside and eat and drink in nice weather, And into the accessible spaces also come guests with wheelchairs or physiological disabilities. During a meal, a good drink is essential. In this *gastropub*, you not only get delicious meals from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. The experience of various sports events is just as much a big draw, when you are in this **sports bar**, And of course, you should also try the tasty burgers, with sides such as fries, salads, or wedges offered.
