4 stars for being a local dive bar. totally casual bar. and i do love me a good dive bar once awhile. but, be prepared as you walk in as every head will turn. i went during the week to meet up with a friend. it was not too busy .. but i had a great time talking to the locals. i met some really nice people. and i loved that i could have my fur baby with me. (make sure to take a leash) too bad the restaurant closed down....i was getting hungry after a couple skinny margaritas. (the glass was small that they were served in) ... but they were good. so we headed off to get some fajitas which worked out well as it was cooling down and we were able to sit outside. BTW... this place is called The Range by the locals. What [User](#) doesn't like about Smokehouse Only:

Absolutely terrible. You better go to Jackson. This place has changed the owners several times and never improved it. Small town bar with fighting and terrible service. The only memory with which this place will leave you is a bad one. [read more](#).
