It was our first time eating at this restaurant and it did not disappoint. Food was great and gave big portions. Service was great and they were very kind. Will definitely be coming back to try other choices! [read more](#). The diner and its premises are wheelchair accessible and thus reachable with a wheelchair or physical limitations, and there is no-charge WiFi. What [User](#) doesn't like about Joon's Kitchen:

Actually surprised at all the good reviews from Koreans. Maybe it was better before covid? Food was far less appetizing than expected. I would have been much better off making bibimbop myself? [read more](#). Fans of **Korean cuisine** are in the right place here: With **Kimchi**, the most diverse versions, preparations of Bibimbap, Bap, you will also find various, exquisite Jjigae that please the palate, The inventive fusion of different meals with fresh and occasionally daring products is highly valued by the visitors - a good example of Asian Fusion. *The meals are prepared according to typical Asian style.*
