Everyone that works at the Cafe is very nice, the breakfast and lunch is tasty and reasonably priced. I am always greeted when I arrived and made to feel appreciated when I order something from the menu. The burger meals are a great deal for lunch. And their breakfast burritos are delicious and a good serving for the price. Also the view from the patio is unmatched. [read more](#). What [User](#) doesn't like about Torrey Club Cafe:

Place is super hard to find. It doesn't even have clear directions to find it. Took me 10 minutes to find it. When I finally did there is no menu to be found. When I finally found it the cashier let me know there was no toast available, no veggie patties, no french toast and no pancakes either. Wasted 20 minutes of my morning. Never again. [read more](#).
