The food is delicious. The menu is a bit quirky, so I got some things that I wasn't sure about and then I loved them. The salad blew me away. Delicious veggies plated beautifully. If the weather is nice, sit outside. It's gorgeous. Thanks for taking such good care of us! [read more](#). What [User](#) doesn't like about Chestnut Pines: Wacky little place. We made a special trip to have breakfast here. Upon arrival we were told the kitchen was closed, but feel free to look around and check out the bakery. The bakery had two loaves of bread, and there was a bug crawling inside the bag of one of them. [read more](#). In nice weather you can even eat in the outdoor area, and there is complimentary WiFi. If you're craving some spicy South American cuisine, you've come to the right place: tasty dishes, cooked with **fish, seafood, and meat**, though corn, beans, and potatoes are also in the menu, here they serve a appetizing brunch for breakfast. In addition, there are delicious American dishes, such as *burgers and grilled meat*, Here you'll find sweet pastries and cake, simple snacks and chilled refreshments and hot drinks.
