This was my favorite spot whenever I was in Vermont this past summer. The BLT Burger was my go-to, but the Southwest wrap was also great. Good beer selection. And you need to get the chocolate lava cake for dessert, but the key lime pie was a good substitute. Our waiter was usually Daegan and he was great, as were the rest of the staff. read more. The restaurant also offers the possibility to sit outside and be served in pleasant weather.
What User doesn't like about The Little Grille Bradford:
Service was not good. Server was late coming to greet us after being seated. My meal was inedible as it was floating in oil and we had to constantly wave down our server for attention. Cute place with great view. It's unfortunate that the food didn't match the atmosphere. read more.
