An excellent combination of local Irish pub in a great neighborhood. The food was authentic, delicious and plentiful. I have the Bangers and Mash and it was just as good as what I had in Dublin. The staff was very nice and friendly and the service was fast. I would recommend and return. [read more](#). What [User](#) doesn't like about Grainne O'malley's Tavern:

Cosy Irish pub with a relaxed atmosphere. Be ready to order a three course meal and an endless stream of drinks, otherwise they will take you to check. No staying here on a pint. [read more](#). For those who want to **have a drink after work** and hang out with friends, Grainne O'malley's Tavern from Brookline is a good bar, Moreover, the drinks menu of this **gastropub** offers a good and especially large variety of beers from the region and the world that are definitely worth a try. Sometimes you may not want to consume a lot, in this case one of the fine *sandwiches*, a healthy salad or another snack is just right, They also present scrumptious South American cuisine to you on the menu.
