We had the pad thai, Thai rice and spicy tuna roll. Everything was delicious although the spicy tuna was not outstanding for me, nor spicy and small portion compared to the pad thai and the rice. [read more](#). What [User](#) doesn't like about Sushi Siam [Taos](#):

Gross, chewy and weird sushi. Worst sushi I've ever eaten and by far the worst food of our trip to New Mexico.

Also got a chicken curry which was sub-par, and a drunken noodle dish which was okay. Learned not to trust a general Asian restaurant or believe signage that advertises being rated the best option for Asian food when there's no competition. Would not recommend. [read more](#). With a large selection of freshly harvested vegetables, fish and meat, the [Sushi](#) Siam Taos from Taos prepares [healthy, tasty Japanese menus](#), among the delicacies of this

restaurant are particularly the **Maki** and **Sashimi**. If you love spicy dishes, you will find exactly what you're looking for in Thai dishes. Besides, the inventive blend of different meals with new and sometimes adventurous ingredients is appreciated by the customers - a good case of Asian Fusion.
