The jerk chicken was perfect: moist and tender, and exploding with flavor with just the right amount of spice. The staff couldn't have been friendlier, and the casual island vibe interior is perfect for a relaxing meal and hanging out. Very welcoming. Plenty of parking too. Highly recommended! [read more](#). The restaurant also offers the possibility to sit outside and eat in nice weather. What [User](#) doesn't like about Negrill Jamaican Restaurant And Bar:

We ordered the curry chicken and ribs. The sides are bland, menu prices are inaccurate and it took a little while for the food to be prepared but I'd still go back for the ribs. [read more](#). Negrill Jamaican Restaurant And Bar from Indianapolis is a good option for a bar if you want to have a drink after work and hang out with friends, Moreover, the menu of this **gastropub** offers a good and especially extensive variety of beers from the region and the world that are definitely worth a try.
