Burritos as they should be. You get two small burritos instead of a huge one, so you actually hold it in your hand and eat it as Burritos intended. In addition, there are NO rice in the Burritos THANK GOODNESS. Finally, the tortillas and the meat are incredibly good. [read more](#). What [User](#) doesn't like about Brother's Burritos:

Im a local that loves this spot. Been eating here for years now, and have had the whole burrito menu so many times. I will be eating here again soon, but I have to be honest. The South Swell has left me with this slight discomfort that I am very familiar with from having lived in different places all over the world. It's not quite food poisoning, but something in the South Swell has put my stomach off for the rest of... [read more](#). Look forward to the **diverse, delicious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), They also present tasty South American meals to you in the menu. In addition, there are scrumptious American dishes, such as **burgers and grilled meat**, here they serve a *diverse brunch* in the morning.
