Always clean. Great treatment by staff. Food needs tweaking on prep. Heated buns on the sliders would be nice. The bread on the sandwiches we had was cold like it came out of a fridge. Made the sliders less palatable than usual. read more. What User doesn't like about Arby's:
Racist staff ! They messed up my order on purpose and made fun of me like they couldn?t understand what I was saying just because I?m not white. It?s not even about the money at this point but such a waste of time and money ! I asked to fix my orderand they still didn?t stop being rude and racist. That was the 2nd time at this location same woman made fun of my autistic sonin the car. read more.
