Best California Rolls I have ever had! The atmosphere is very intimate. Great place for a date or a small group of four. If you are ever in this area, it is most stop if you are a [sushi](#) lover! What [User](#) doesn't like about Hoki Japanese:

I grew up in Asia, and travelled to Japan 4 times, so I'm rather picky when it comes to Japanese food. While the food here isn't as good as you'll get in Asia, it's the best I've had in Atlanta so far (taste, attention to detail, ambience), and I believe might be the best value for its price. At this time many are thinking about a healthier diet; specifically for these Hoki Japanese's food menu provides a wide range of **healthy light menus**, and it's made with lots of fresh vegetables, fish and meat, easily digestible Japanese meals prepared. You have a ceremony and want to enjoy the food at your place? With the in-house catering service, that's no problem, The inventive fusion of different meals with fresh and partially daring products is highly valued by the customers - a good example of Asian Fusion.
