The gentleman in the drive thru tonight was very accommodating patient with our large order . He had more manners than anyone I've seen in fast food in a very long time! It was expensive but definitely worth it. Fresh tasting beef, and very tasty beans cheese. read more. What Holly W doesn't like about Taco Bueno:

The food and service have changed at this location. The service used to be exceptional, they were always helpful and recognized returning customers. The amount of food inside the taco shell or tortilla has decreased as well. read more. Look forward to the **diverse, tasty Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), Also, the drinks menu at this place is exceptional and offers a significant and comprehensive diversity of both local and international beers, which are definitely worth a try. *Meals are usually prepared quickly for you* and brought to the table, You can take a break at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
