[Cheryl Adams](#) likes about K&s -b-q:

Awesome ribs, so tender and moist. Got beans, wasn't crazy about them. The smoked Mac n cheese was very good. The owner is super friendly, great atmosphere, food is reasonably priced. [read more](#). What [MenuPix User](#)

doesn't like about K&s -b-q:

2 different visits and over \$100 later were still not impressed nor will we go back here! The wife told me on Facebook [Joshua](#) Page come back and give us another chance we'll make it right! That was a joke, we told the waitress and she acted oblivious to the fact the owner was going to make it right, she said oh they're not here, so I should've left, but we ordered (from what they had left) this was early 5:15 pm the boy cutting meat doesn't know what LEAN sliced beef is, so much fat and stringy chewy meat yuck! Anyway we won't be spending another penny here! Both visits were horrific and costly for food we couldn't eat, don't even get me started on the ribs.... smh. As a visitor, you can use the WLAN of the place at no extra cost. For quick hunger in between, K&s -b-q from Joshua presents **scrumptious sandwiches, small salads, and other treats**, as well as hot and cold drinks, Here, the barbecue is freshly grilled on an open flame. Would you rather enjoy the food at home or at a special place like a festival? Thanks to the in-house catering, that's no problem.
