What [User](#) likes about Kung Fu Tea:

The only tea place that I've found that lists gluten containing and caffeine free drinks on their website menus and in store. I ordered the winter melon a milk cap tea and it was delicious. I got the Spirit Halloween tea for my husband (it contains gluten and caffeine). It was like a matcha tea I think because it was green. He loved it! [read more](#). When the weather conditions is pleasant you can also eat outside. The extensive selection of *coffee and tea specialties* greatly enhances the value of a visit to Kung Fu Tea, on the menu there are also a lot of Asian dishes. The Asian fusion cuisine is also an important part of Kung Fu Tea. Anyone who finds the normal and generally known menus too ordinary can here approach with a willingness to experiment and try some exciting combination of ingredients taste.
