Get excited about the diverse, scrumptious Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), there are also **delectable vegetarian menus** in the menu. Surely, it's also a nice experience to feel like in the Wild West once, to drink and enjoy like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice tasty burger, Spanish dishes with their tasty savory sauces and spices are popular among the visitors.
