Here you can find the [menu of Coffeeman](#) in Aberdeen. At the moment, there are 15 dishes and drinks on the food list. You can inquire about *seasonal or weekly deals* via phone. What [User](#) likes about Coffeeman: This is a great, local (non-Starbucks) espresso stand that uses fine coffees from a specialty roaster in a nearby city. They went through a lot of coffee roasters before settling on one. I always get a nonfat mocha extra hot and it's always the way I like it. No Hershey syrup here, they make their own syrup from fine chocolate. The baristas are really nice, friendly, and seem genuinely happy to see me. It's my go to... [read more](#). What [User](#) doesn't like about Coffeeman:

Husband got us red bull smoothies and there was no red bull in the drink and tasted like water I don't normally do this but as a first time customer I was very disappointed in the drink service was great thou. [read more](#). You can use the WiFi of the establishment free of charge, Depending on the weather, you can also sit outside and have something. A visit to Coffeeman is particularly valuable due to the extensive variety of coffee and tea specialties, here they serve a **comprehensive brunch** for breakfast.
