What [Jeremy Warburton](#) likes about Eatin' Fresh:

Stopped in for lunch while visiting Clearwater with a friend. Got a Cuban sandwich and a shrimp basket both were absolutely amazing. Made fresh by the owner who also makes the sauces, food was delicious and the service was as good as it gets. Five stars all the way! [read more](#). A selection of tasty [seafood](#) courses is dished out by the Eatin' Fresh from Clearwater, and you can indulge in tasty American meals like *Burger or Barbecue*. Surely, it's also a nice event to feel like in the **Wild West** once, to drink and consume like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice spicy burger, You'll find tasty [South American](#) menus also in the menu.
