What [Jon Eisenstein](#) likes about Ponus Yacht Club:

Great food and setting. The menu is a little limited but changes frequently, so I almost never have the same thing. Deck is an awesome place to chill for lunch or watch the sunset during dinner. If you're craving some **spicy South American cuisine**, you've come to the right place: delightful dishes, roasted with **fish, seafood, and meat**, though corn, beans, and potatoes are also on the menu, and you can look forward to the tasty typical **seafood** cuisine. There are also fine American meals, for example, *burgers and grilled meat*.
