25 minutes, stuck in the drive thru with 1 car ahead of me and no one at the window. I saw them give the car ahead of me 2 ice cream cones and 1 shake. That took 25 minutes?!?! When the car ahead of me left, I did too! Do better! Or have customers pull around so you can bring them their order so other people can get out of the drive thru!!! But seriously, 25 minutes for ice cream?!?!?. The place also offers the possibility to sit outside and be served in nice weather, And into the accessible spaces also come visitors with wheelchairs or physiological disabilities.
