Tried this restaurant for the first time on break a couple days ago came back for the second time! Delicious delicious food!! The tacos are rich in flavor and the salsas are nice and spicy! Definitely recommend this place! I'm bringing my family to eat next time can't wait to try the rest of their menu. The staff is super friendly as well!

They charged me the wrong price according to their menu. They put enough food for 5 tacos and charged me on their fajitas 21+ dollars. The meat had a lot of low quality beef with nerves. What s to off!!!!Food: 2/5 [read more](#).

Get excited about the **diverse, delicious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers).
