[The Card](#) of Yoloberry from Davis includes about 10 different dishes and drinks. On average, you pay for a dish / drink about \$9.4. What [User](#) likes about Yoloberry:

Delicious, with options both for those wishing a special anti-diet 'splurge' /treat, as well as those needing healthy yogurt with healthy toppings. Family owned and managed; Davis-community engaged. Chat with Lee and Laura while you snack, and you will soon realize that they 're not just here to make money off of us, but that they truly care about their customers ' lives. : [read more](#). What [User](#) doesn't like about Yoloberry:

Its not worth ordering yoloberry from doordash. The portion is wayyy to big and the toppings are far too expensive. I had so much yogurt in my container that I couldnt even put the toppings on top of it. The yogurt is delicious, but the experience is way better if you go in and make your own bowl. [read more](#). If you crave for **tasty snacks**, Yoloberry with its **magical desserts** can surely make an end of it.
