The food is always well prepared and fully cooked however the chicken can be slightly salty. the service is absolutely incredible as you don't have to wait a long time for the food to be served, furthermore, when ordered through the drive thru your plate comes with spoons and complimentary sides There's also a store right in front of the drive thru where you can buy snacks and drinks to accompany your meal. Vegetarian op... [read more](#). What [Cristy Muñoz](#) doesn't like about Pollos Asados Nuevo Leon:

The chicken is small, but it does taste good. The beans and rice were a big joke. A small styrofoam cup is the family sized portion. The staff is rude and the guy there rolled his eyes when we asked if that was the family size for beans and rice. You have to call in to order your food (which we didn't know) or you have to get out of the car line to get down and buy your food. We will not be going again. [read more](#). Get excited about the **diverse, tasty Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), Here, the barbecue is freshly *cooked* on an open flame. The spicy Spanish meals from the kitchen of the restaurant are also worth it.
