Absolutely LOVE the seafood at Danny's!! I order the crab leg clusters often, they offer spicy flavoring and they are the largest around. Reasonably priced, always fresh and made to order quickly. They also have an excellent variety of food for the people in your family who aren't seafood crazy. If you haven't been there yet, GO! [read more](#). What [Jessica Wells](#) doesn't like about Danny's Seafood:

I found a piece of hair in my rice and had one of the workers address it but the owner never acknowledged the fact instead act like it was nothing. I gave two stars because of the worker who did acknowledge the facts and attended to our needs. I didn't say anything about it but I won't be returning. [read more](#). The Danny's Seafood originating from [Long Beach](#) offers various *tasty seafood dishes*, You can also look forward to the typical fine French cuisine.
