In pleasant weather you can even eat in the outdoor area. In case you're hungry some **seasoned South American cuisine**, you're in the right place: delightful dishes, prepared with fish, seafood, and meat, but also corn, beans, and potatoes are in the menu, and you have the opportunity to try scrumptious American dishes like Burger or Barbecue. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink, The barbecued food is freshly cooked here on an open flame.
