OK my friend turned me on to this place my 1st time going this week. Amazing amazing delicious the sauce is kick a ! I've only tried the half chicken baked beans and Colslaw it was the best I can't wait to go back and try everything else. I heard the ribs were good they have tried to they have salad sandwiches just I can't wait to go back. [read more](#). The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physiological limitations. What [Tommie Ryan](#) doesn't like about Big Pop's Bbq And Grill:

Give him two stars. the bark ribs ordered. it didn't taste bad, but there's hardly any meat on them, I ate all the kist in 5 minutes. the pommies were ok. overall there is nothing about what makes me think it's not better here. it is another southern bbq spot in la that I no longer recommend or order from again.
