

I don't know what you all do to your quesadillas, but my 8 year old has just said "OMG this is sooo good!" about 5 times while eating her cheese one. She never reacts like that with mine. Kinda hurt my feelings 😂 Loved our food to

Tucked behind the Exxon on the NE corner of 75 W Virginia St, is King Kups food truck. I found this place from the good reviews and was not disappointed! The birria tacos and the Consomé was so good! The elote with the optional hot sauce on top was delicious as well, I love how they layered it instead of everything being on top. Great flavor for the money, highly recommended! [read more](#). What [Kristen Johns](#) doesn't like about King Kups:

Review is base off food because service was good. The tacos didn't have much flavor and meat was very much dry. The taco was juicy but the meat not so much. Also, I've never had red marinated Asada, was not a fan. I've been looking for real good [Mexican](#) food and my journey continues. Food: 1/5 [read more](#).
