We like a lot going out. Last night we visited this superb restaurant which friends recommended to us. We enjoyed a lovely evening there with high-quality dishes and an efficient crew and a great chef. We put this venue in our phone list and we shall definitely come back very soon. We highly recommend. [read more](#). The place also offers the possibility to sit outside and have something in pleasant weather, and there is complimentary WLAN. If you're desiring some *spicy South American cuisine*, you've come to the right place: exquisite meals, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, Besides the fine **sandwiches**, small salads and other snacks also make a good snack. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink, Furthermore, the drinks menu in this eatery is impressive and offers a good and extensive assortment of beers from the area and from worldwide, which are definitely worth a try.
