Stone of the best beer in the state for sure! Their IPA lineup is solid, and the sours--particularly the barrel aged ones--are fantastic. The pawpaw sour is world class is you're lucky enough to find it on draft. The location is really great, too, with an airy taproom and a covered patio and picnic tables out back, with a fire pit and a stage. The outdoor areas are dog friendly. [read more](#). In beautiful weather you can even have something in the outdoor area, And into the accessible spaces also come customers with wheelchairs or physical limitations. What [User](#) doesn't like about Weathered Ground Brewery:

We really love the concept of this place. Nice location, love the outdoor area, music is great. Food is usually good. I just wish the staff had some personality. The manager is rude and seems like every pour is an inconvenience. We would frequent this place more often if it wasn't for staffing. [read more](#).
