This is our favorite local date night or special occasion dinner spot, everything is made fresh and delicious. The guac is amazing, we never had a bad meal here ever!! Service: Dine in Meal type: Dinner Price per person: \$20–30 Food: 5 Service: 5 Atmosphere: 5 [read more](#). What [Abygail Frost](#) doesn't like about El Patron Mexican: If you like images and taking photos in a Mexican environment, it is the right place. The food took too long to get to the table (there was only one other couple in the place), we received some cold food, wrong and incomplete orders. Price not very clear when receiving payment. Would I go back? No. Service: Dine in Meal type: Lunch Price per person: \$20–30 Food: 2 Service: 1 Atmosphere: 3 [read more](#). When the weather conditions is nice you can also eat outside, And into the accessible rooms also come clientele with wheelchairs or physiological disabilities. Look forward to the *diverse, fine Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers).
