Almost missed this place as it's up off the street and not many reviews. SO glad I didn't. Very good. Clearly house made syrups from fresh fruit. Not so sickeningly sweet as so many shops. Reasonably priced and very nice server. Would definitely recommend and worth going out of your way to find. 5 star all the way. [read more](#).

What [User](#) doesn't like about Kava Kafe:

After 5 months of coming here I just now got a smile from one of the employees. Great Kava, terrible customer service skills. Will not be enjoying another cup, not worth it. [read more](#). You can use the WiFi of the place free of charge, Depending on the weather, you can also sit outside and eat and drink.
