The food was good, not my normal meal but was great and would definitely come back. The chicken was all dry for both meals, other than that it was great. [read more.](#)

What [User](#) doesn't like about Modern Market Eatery:

They serve like if you are a chicken. In their ads you see bowls full of food and when you actually eat there you starve of how little they give you. Shame on them. Even the chicken was not well cooked. I am happy I got the curry soup, otherwise I'd have to buy something elsewhere to be full. [read more.](#)
