Yes! Yes! Yes! This little store front... Mmmm Mmmm sooooo good! Made to order hot beignets. We ordered a dozen to go needless to say they didn't all make it our ending destination . You can have them filled with vanilla culture, chocolate cream, or plain. We choose the plain and were NOT disappointed!!! At this time they accept payment in CASH ONLY. [read more](#). What User doesn't like about Café Beignet:

The folks who give this place a 4 star review obviously have never had a beignet in NOLA. Beignets are light and airy. These are tough because the dough is far too thick. The also use way too much powdered sugar; it's supposed to be a light dusting, not a heavy blanket. I love family owned cafes and wish I could give this one a better review. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities, and there is free WiFi. If you're hungry some hot South American gastronomy, you're in the right place: delightful menus, prepared with *fish, sea creatures, and meat*, but also **corn, beans, and potatoes** are in the menu, and you can enjoy here fine American meals like Burger or Barbecue.
