The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, and there is free WiFi. If you're craving some zesty South American cuisine, you've come to the right place: delightful dishes, prepared with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, and you can look forward to the fine typical seafood cuisine. Moreover, there are scrumptious American menus, such as *burgers and grilled meat*.
