What [User](#) likes about Royal Palm Pakistani/Indian Cuisine: Their Aloo Pratha was really good. Must try! I had also ordered their Beef Chapli Kabob. They were really good too. It came with a portion of rice, roti and chole (garbanzo beans) curry. Had ordered a take out and the portion size was good. Will definitely visit again. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, and there is free WLAN. If the weather are right, you can also be served outside. What [User](#) doesn't like about Royal Palm Pakistani/Indian Cuisine: Absolutely terrible. I've NEVER had a chicken Tikka masala that I could not stomach. The sauce was so wrong, the dish was WAY too spicy, the ONLY reason I gave it one star is the naan is pretty good and the butter chicken was passable. [read more](#). The establishment also offers its guests a [catering service](#), Menus are also prepared here, finely and freshly with typical **Indian spices**. For those still considering, the inviting smell of fresh flatbread combined with the delicious, syrupy promise of fresh baklava might be the necessary push - the *Middle East* is undeniably closer than you would assume, there are also delectable vegetarian dishes in the menu.
