Mercado was really busy on Sunday afternoon, but we loved it. The staff is very friendly, food delicious and the menu would satisfy every taste. Spacious, bright and very clean space. read more. The restaurant offers complimentary WiFi for its guests. What Love and Honor doesn't like about Mercado:
Dismissive, unfriendly, dry and rude. Walked inside to inquire about service and asked about seating and was told I could “sit anywhere.” She’d failed to mention that you have to order, then sit like McDonald’s then they’d come to your table. I know these vibes VERY well. I’ve lived down the street for almost 3yrs and got curious since the diner was closed. BLk folk take your money elsewhere on this block. Ugh. read more.
