What [jon smith](#) likes about Aguilar's Mexican Grocery: Probably one of the best deals left in the neighborhood. In this time of inflation and restaurants skimping on certain things to survive this restaurant is still serving up great food with good portions and lots of avocado, pico de gallo and guac. If you can it might be better to call them directly because their menu has some options that aren't available on the delivery apps. [read more](#). What [User](#) doesn't like about Aguilar's Mexican Grocery: We were super excited to try this place after the reviews but couldn't after one of their employees, whom refuse to give me a name that was in charge, denied my daughter's service dog. I explained the dog is a service animal and show him our badge. He demanded we leave the deli even after this. Will be seeking a lawyer now. [read more](#). Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
