Traveled to Gainesville, Ga on business and found this street taco place. The tacos and quesadilla were much larger than what I'm used to back home but just as flavorful. I had 2 of the following, asada, chorizo and pastor with an asada quesadilla that came with rice and salsa fresco. Place was clean and the server was polite. If I'm back in the area again, I'd definitely seek this place out again. [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physical disabilities. What [User](#) doesn't like about Tacos Silao:

What restaurant on Earth does not accept cash!? My coworker have made an order and I came in to pick up mine so I was picking up his as well. My coworker gave me cash to get his. They can't take cash card only. So I had to use my bank card to pay for both mine and my coworkers. I won't be back again. [read more](#). Look forward to the *diverse, tasty Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers).
