Which is great but the taste is kinda bland. But it will work with soy sauce salt and pepper and yum yum. I do have a suggestion . The cardboard container can't really take the heat from the food or the weight of it and the container bends before I get back to the office. Also the dark haired cashier young lady always looks scared when taking orders lol . [read more](#). What [User](#) doesn't like about Sumo Hibachi Wings:

They put way too many ingredients in the Hibachi. The meat reminds me of Philly cheesesteak meat which does not go with the hibachi. Seems like they chose a cheap steak option. Without the yum yum, the taste would be bland. [read more](#).
