The restaurant from Broad Channel offers **10** different **meals and drinks on [the menu](#)** at an average price of \$4.3. What [Carrie Sanders](#) likes about Kofi Illy:

Went here every morning of my trip to grab a coffee on the go and it was delicious! The muffins are absolutely wonderful. Everyone behind the counter is always friendly. I would definitely recommend this coffee shop to anyone! [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations, and there is complimentary WiFi. What [Stephen Lyman](#) doesn't like about Kofi Illy:

Charged \$8 for a \$6 nitro cold brew, which the server filled with ice before pouring in the coffee. Happy to pay \$6 for a nitro cold brew, but not \$8 for 1/2 a nitro cold brew over ice. Between the overcharge and inept service, buyer beware. [read more](#). The large variety of *coffee and tea specialties* makes a visit to Kofi Illy even more worthwhile.
