We had issues with Uber Eats but the restaurant helped us out and we were able to pick up our food. Excellent customer service, thank you! The food was delicious and the tofu was nice and crispy. [read more](#). What [User](#) doesn't like about Thai Chili Pepper Lutz:

I ordered a fresh roll (without shrimp) and vegetable fried rice with tofu and broccoli and no egg. The fresh roll tasted as it should have but the fried rice was very disappointing. The total cost of these two items including tip was \$40 with veg fried rice costing \$25. The fried rice had literally no salt and it tasted bland. When you are charging this kind of outrageous amount, please ensure it tastes good. [read more](#).
