A hidden gem nestled in Belle View shopping center. Beautiful restaurant with a fun and sophisticated vibe. I love all of the gluten free options on the menu. The risotto with prosciutto, shallots and pickled onions tickled my taste buds. I can't wait to dine here again! [read more](#). You can use the WiFi of the restaurant at no extra cost,

Depending on the weather, you can also sit outside and be served. The rooms on site are accessible, and therefore no problem for visitors with wheelchairs or physical limitations. What [User](#) doesn't like about Revel Wine And Craft Beer:

I would not recommend nor would return. \$200 later, we went home to eat and open a bottle of wine. The wine and service is OK, but the food and the vibe is terrible. We went on Valentine's day, and can not even describe the disappointment. Again, wine/service ok, but hell, can buy a better wine online and the food is terrible. [read more](#). If you want to *have a drink after work* and hang out with friends, Revel Wine And Craft Beer from Alexandria is a good bar.
