The restaurant from The Energy Corridor, Houston offers 15 different **meals and drinks on [the card](#)** at an average price of \$10.2. What [Yashdeep Datta](#) likes about Toukei: Good taste of Ramen and Variety of alcohol options. I like the menu for cocktails based on days, however did not see other people drinking. Appetizers are ok, modest opinion would be they are competing very well with taste in Chinatown. I will give 5 star for this place as it's a usual reliable restaurant to go after 11pm no matter what. Very good menu. [read more](#). What [Yi Luo](#) doesn't like about Toukei: The ramen and sashimi plate are good. But all the yakitori are using the same sauce, which is a bit heavy, covering the material flavor. And eating the same sauce on different types of yakitori is not a good experience. [read more](#). Toukei from The Energy Corridor, Houston is a suitable bar to **have a beer after work**, and sit with friends or alone, Furthermore, the drinks menu in this restaurant is impressive and offers a good and extensive diversity of beers from the area and from worldwide, which are definitely worth a try.
